**THE FENWICK'S 300** story combines a 1982 movie, Jack's in Skokie, IL where the DTs met nightly 30+ years ago, and trips with granddads to The M&W in Idaho sitting at a giant M/W shaped bar. Fenwick, as far as we know, never bowled a perfect game. He did insist on stopping for coffee on his way to the Fells Point Diner to get coffee. And to us, that is a perfect reason to name this Modern Diner after him.

The perfect score part of our Diner's name was added as a nod to the beloved Melrose Lanes that was part of this complex from 1942 until it closed in 2005. We reclaimed the last remaining Melrose lane into our big bar.

PART OF THE BONGO FAMILY.

We strengthen communities by expanding the definition of quality to include how stuff is produced, purchased and served.
